

Minutes for Sep 4, 2007 meeting of HSC.

Minutes of last meeting approved.

Treasurer not in attendance, but each team's coach was given a copy of their accounts. Balance of HSC was \$16,553.82. Checks for referee fees were given to each coach. Discussion as to \$500 fine for team withdrawal (Highland Celtics). It was agreed for the club to pay the fine and "chalk it up to miscommunication between members".

Fields to be played on this fall are Pope John turf field and Andover Boro field. Goodale field is still closed, and we will not be allowed to play on it until the spring. Evergreen fields are also closed, but Green Township is putting a temporary field in between the softball fields, but it was determined by the field schedulers that we would not be utilizing this field for this season. We have contracted with Chem-Lawn for reseeding of the Andover Boro field, which will be done in stages and completed at the end of the season.

The equipment engineer 10 cases each of white and orange paints to line the fields. He also has game balls and any coach needing equipment should contact Rich Barnett.

John Grant will give a set of keys to the Pope John field to Mike Stoner as his are the last games scheduled at the field, and he can "close up".

We need to get proof of insurance faxed from New Jersey Youth Soccer to each of the schools and the towns we play in. John Grant to take care of that.

Mandatory coach's meeting will be on Wednesday, September 5th at 7:30PM for U-8 through U-10 teams, and on Thursday, September 6th at 7:30PM for U-11 through U-14. Directions to the school are on the MCYSA website.

There will be no further meetings during the season. We will hold our "end of the season" meeting during the first week of December, 2007.

Hope everybody has a great season.

Sincerely,
Tayo Euston
Secretary
